

# HEYDAY INDIA

Zero-Cost Smart Vending Partnership — Vijayawada & Guntur

## The Model

Heyday installs, stocks, and maintains a 24/7 smart vending unit on your premises at zero cost to your institution. There is no fee, no rent, and no revenue share. Heyday covers electricity, maintenance, restocking, and insurance, and retains 100% of vending and advertising revenue in return. Your institution receives a free, fully managed amenity for students, patients, or staff.

## What You Get

|                                 |   |
|---------------------------------|---|
| <b>24/7 Operation</b>           | No closing window — coverage around the clock, every day. |
| <b>Zero Cost</b>                | No installation fee, rent, or revenue share, ever.        |
| <b>Zero Staff Burden</b>        | Heyday handles restocking, maintenance, and support.      |
| <b>FSSAI-Compliant Products</b> | Every item sourced from licensed manufacturers.           |
| <b>Cashless Payments</b>        | UPI and card only — no cash handling on site.             |

## Who It's For

Colleges and hostels, hospitals and clinics, and corporate campuses across Vijayawada and Guntur where institutional hours leave a gap in on-site retail access.

## Get Started

Email [partnerships@heydayindia.com](mailto:partnerships@heydayindia.com) or WhatsApp +91 96766 76414 to begin a site evaluation. There is no cost or obligation to apply.
